SNEAK PEEK CATALOGUE - 2023

Cult Legends

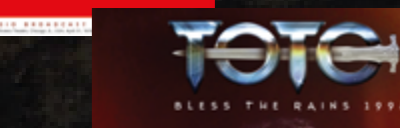

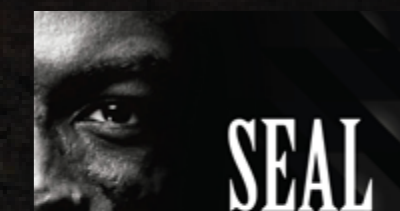

Cult Legends is an audio label with a catalogue consisting of high quality studio recordings, live recordings and radio/TV broadcasts.

All our releases are fully remastered before publishing. Cult legends is a partner of BIEM contractor Stemra in the Netherlands.

Cult Legends

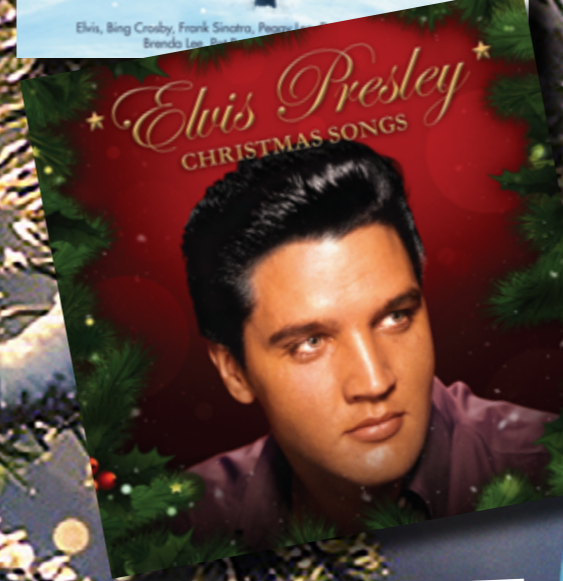

Cult Legends is an audio label with more than 200 titles of well-known artists of the 20th century.

Our releases are pressed on 180 grams high quality vinyl or on CD. Every month new titles are being added to our expansive catalogue.

Cult Legends

Cult Legends also offers a collection of more than 40 high quality studio recordings, available on both LP and CD.

Cult Legends carries a huge collection of Christmas songs by legendary artists in different genres.

Available on vinyl, CD and CD box-sets.

Cult Legends

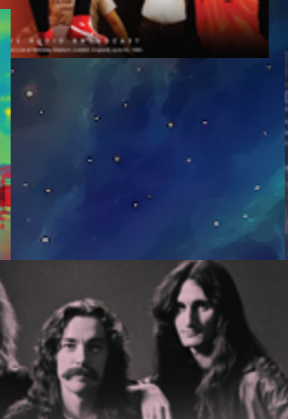

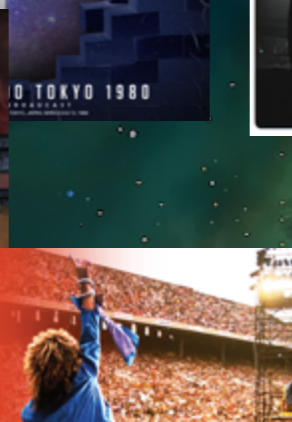

Cult Legends offers a collection of 3, 4 and 5 CD box-sets with remastered radio broadcasts and live concerts.

Since the start of the label, over 40 box-sets have been released.

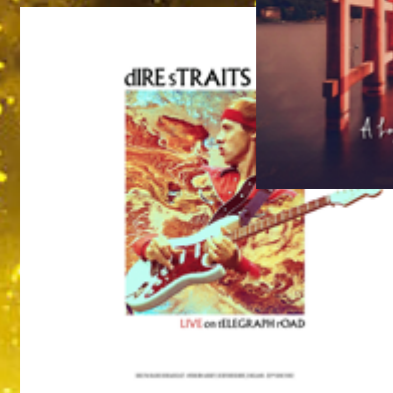

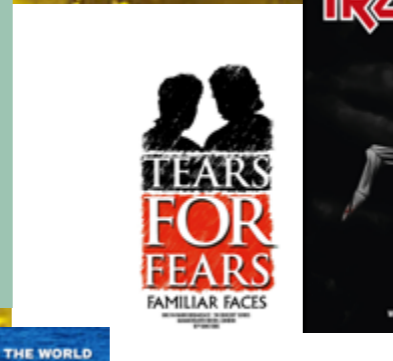

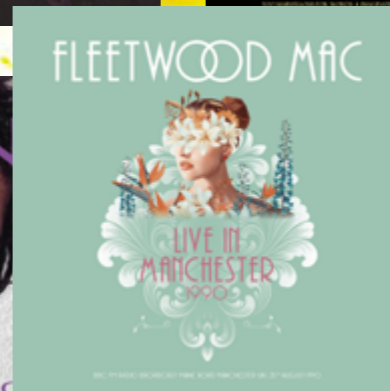

THE VINYL CHAMP

The Vinyl Champ is an audio label that releases live recordings, pressed on 180 grams high quality coloured vinyl.

With releases on single and double LP, every vinyl has a unique colour and is a limited edition.

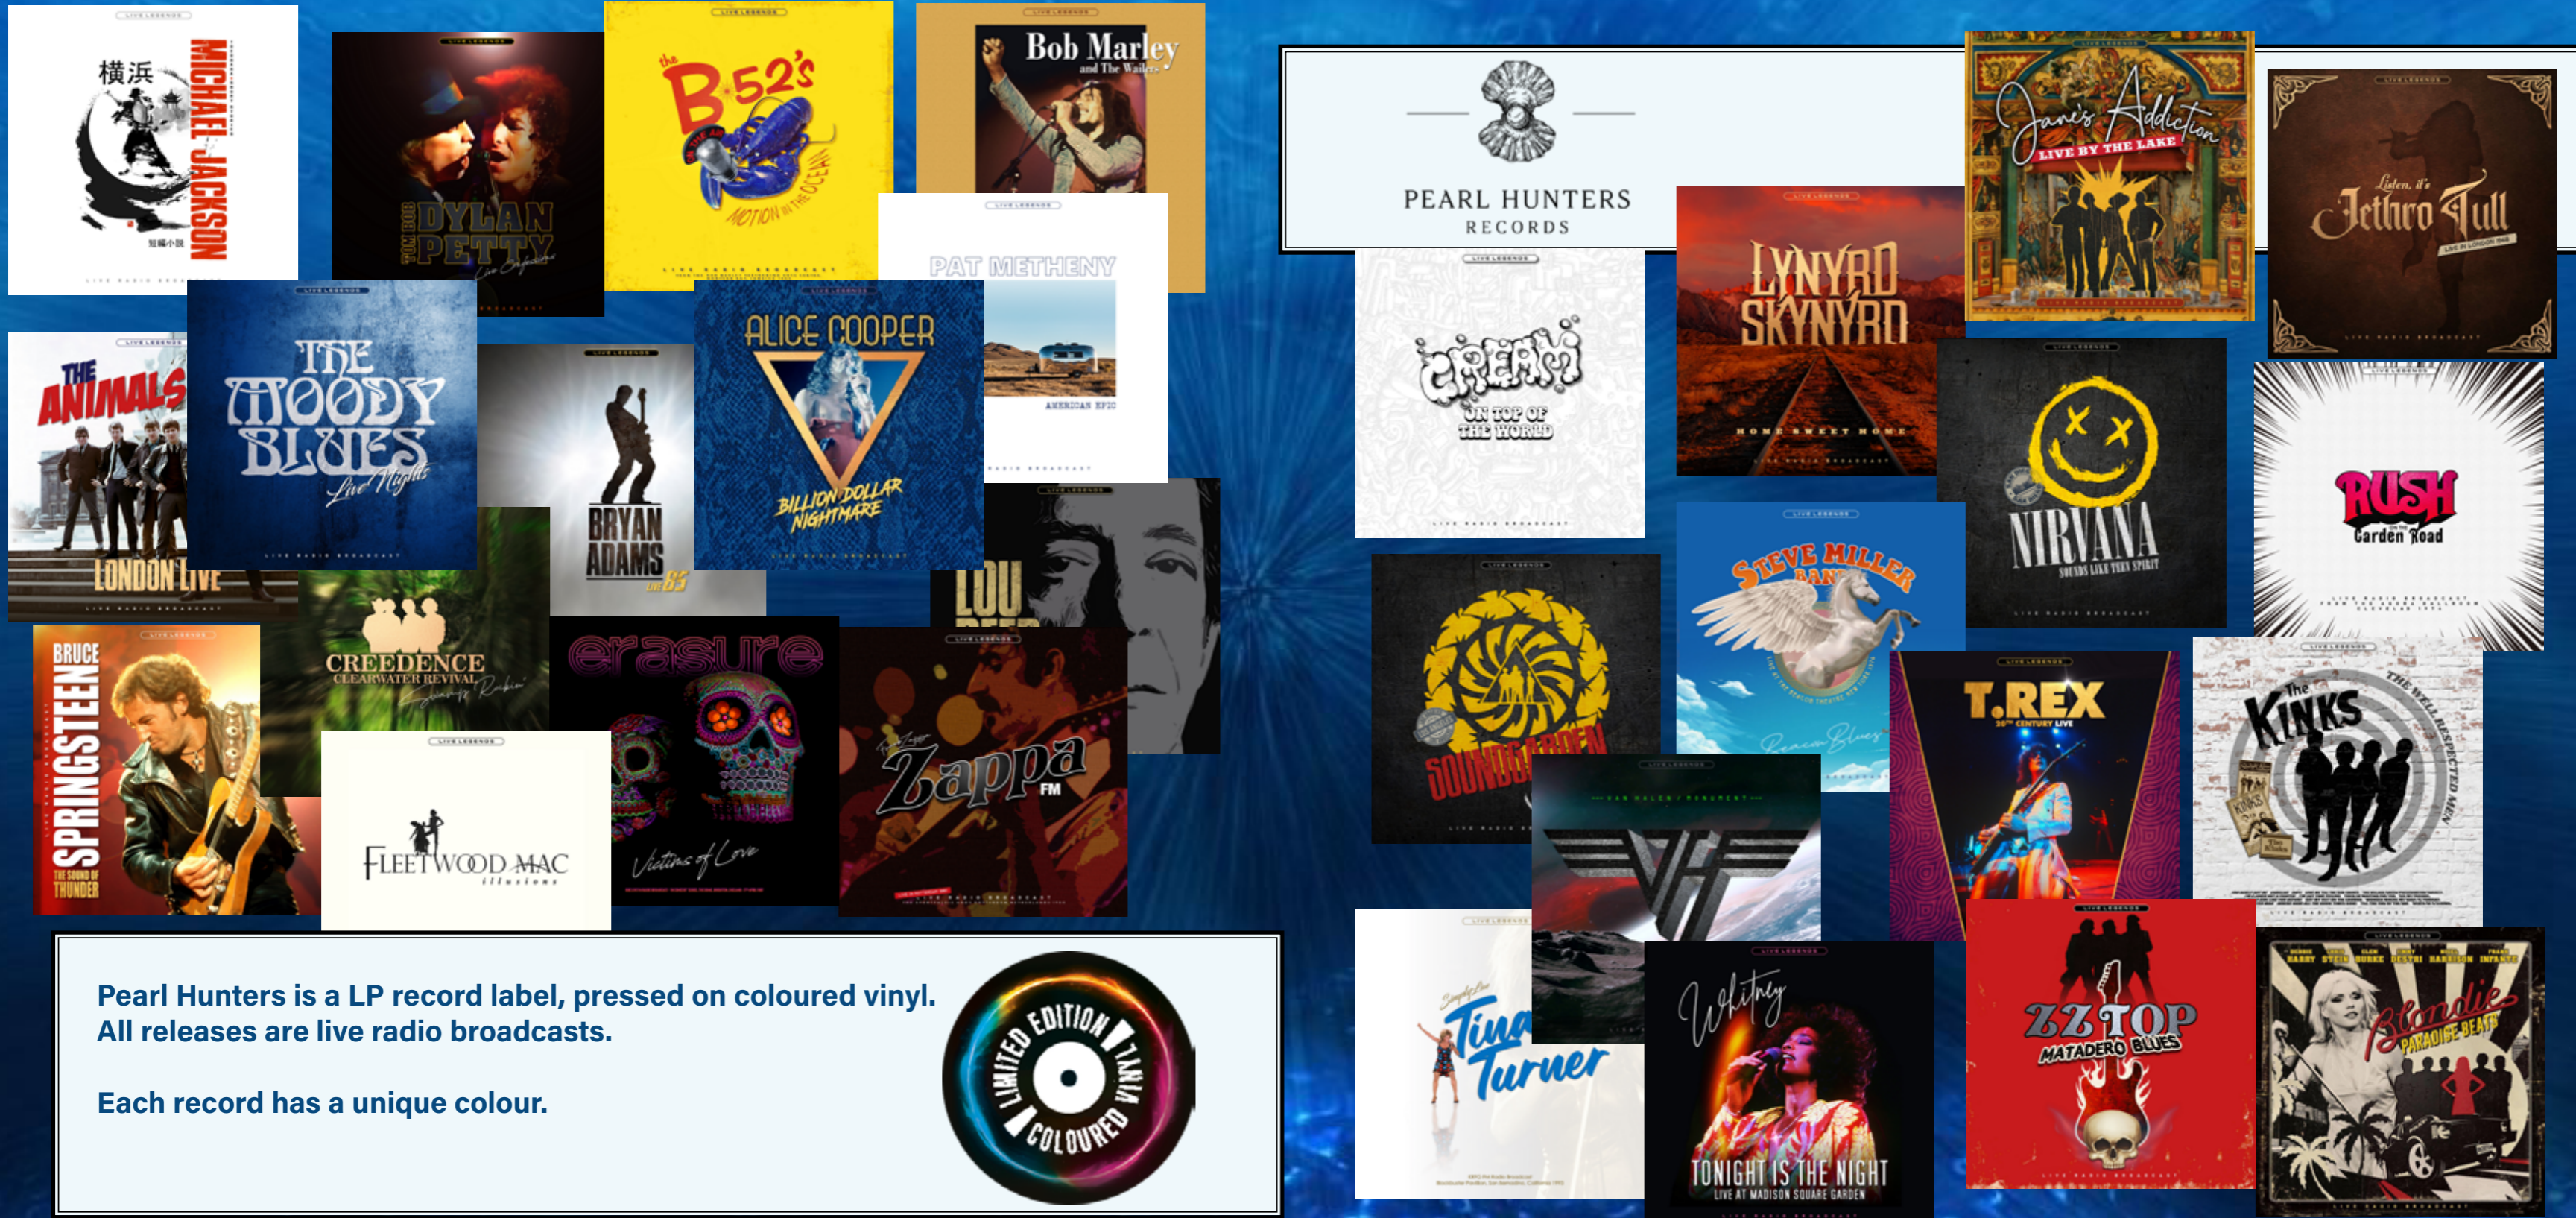

Yellow Vin is an audio label that's pressed on yellow coloured vinyl.

Over 30 live recording titles are planned to be released within the reseeable future.

Pearl Hunters is a LP record label, pressed on coloured vinyl.
All releases are live radio broadcasts.

Each record has a unique colour.
